# A Prophecy of Peace: The Choral Music of Samuel Adler

***“If you don’t know either Adler’s music  
or this choir, just GET it.”***

—AMERICAN RECORD GUIDE

This NEW edition of *A Prophecy of Peace: The Choral Music of Samuel Adler* celebrates the 90th birthday year of this award-winning American composer with a recording that spans more than thirty-five years of his works. Adler’s fresh and imaginative harmonic and melodic language brings a heightened awareness of the texts of these works as well as giving the listener a personal expression that is unique to each work. Highlights include the first recording of Adler’s *Transfiguration Mass* for choir, organ and brass as well as his *Verses from Isaiah* for choir, organ, brass, and handbells.

*“Here is a glowing and long-overdue tribute to the sacred choral music of contemporary American composer Samuel Adler, beautifully sung by perhaps America’s finest non-professional chamber choir. . . Performances are impeccable and deeply moving. This group delivers gorgeous, balanced sound and has completely mastered any technical skill you can name. Their ensemble and dynamic subtlety are second to none, including professional choirs. But the best thing about their singing is a kind of utterly rapt, evangelistic spiritual intensity that you simply can’t imagine until you’ve experienced it for yourself.”*
