#### Faith of My Heart: Sacred Choral Music of Franz Liszt

*“It’s rare to find a recorded program like  
this...it’s a welcome addition to the catalog.”*

—CLASSICS TODAY

Celebrating the 200th birth anniversary of Franz Liszt, Gloriæ Dei Cantores presents an overview of his sacred choral music, including the *Missa Choralis*, settings of the *Pater noster* and *Ave maris stella*, and other works. *Faith of My Heart* reveals a lesser-known, deeply spiritual side of Franz Liszt.

*“There is a generous sense of ambience here, and in louder passages the sound swells to envelope you as you listen... Stimulating – an excellent way to experience the special sound world Liszt creates in his choral music.”*

—AUDIOPHILE AUDITION

*“This recording makes an early entry into the Liszt year. It is welcome because it shows two sides of the composer’s religious music, the meditative and the exuberant.”*
