The Season's Sacred Mystery

*"Allow this CD to transport you right past the malls
and into the season's sacred mystery."*

—THE DALLAS MORNING NEWS (THE CHANTS OF CHRISTMAS)

This Christmas, give and receive the gift of music and be lifted out of the ordinary stresses of life to contemplate the timeless and unchanging love of God and the mystery of the Christmas Story.

"In The Chants of Christmas, the ancient Gregorian 'melodies' deliver a mystical aura that envelops the listener, and the mesmerizing impact is equally effective during the holiday season and throughout the year...the product provides a magic carpet ride of relaxation, yet stimulation. For me, this music provides the ideal backdrop for contemplation on a cold December night... downright divine!"

Sing Noel with Gloriae Dei Cantores is a Christmas treat from beginning to end. The recording opens with Sing Noel – a colorful set of carols moving seamlessly from one to another. From Caroling, Caroling to My Dancing Day and The Holly and the Ivy – this recording brings you a traditional Christmas experience that will brighten your Christmas cheer and warm your heart.

"I adore well-executed choral music for the holidays, and Gloriae Dei Cantores certainly fills the bill. Sing Noel is an outstanding...moving release of intensely lovely seasonal music."
